EXPERIENCE

Shipsy — Business Operations Intern June 2026 – July 2026

- Worked on the end-to-end development of an internal Learning Management System (LMS) to streamline onboarding and training for new Shipsy employees.
- Collaborated with internal stakeholders to translate onboarding needs into structured platform requirements.
- Contributed to the platform's development lifecycle, improving learning experience and simplifying onboarding.
- Worked on a logistics tracking device.

PROJECTS

Sectoral Research – Industrials Finance & Consulting Club, VJTI

- Researched industrials-sector news, emerging trends and key developments.
- Synthesized macro indicators such as IIP, PMI and credit growth to identify industrial-sector trends and investment themes.
- Prepared and published weekly research updates for FCC through structured research reports.
- Presented findings to club leadership, translating macroeconomic data into actionable insights.

Financial ML Stock Predictor Python, Machine Learning, NLP

- Developed an end-to-end ML pipeline combining stock data and news sentiment to predict next-day prices.
- Integrated price collection, news scraping, NLP sentiment analysis, feature engineering and model training.
- Structured the workflow from data gathering through analysis to final reporting, managing scope and deliverables independently.
- Generated automated stock analysis reports with predicted price movements and sentiment insights.

LEADERSHIP & POSITIONS OF RESPONSIBILITY

Sponsorship Head — Technovanza, VJTI

- Lead sponsorship strategy and outreach for VJTI's annual technical festival, managing sponsors, proposals and external stakeholder relationships.
- Identify prospects, pitch partnership value and negotiate with sponsors to secure funding.

Department Head — Alumni Association, VJTI

- Led alumni engagement and communication between students and alumni, planning outreach initiatives.

Coordinator — DLA Committee, VJTI

- Coordinated departmental content and events end-to-end, managing timelines, resources and communication.
